

Finally!

Redondo Council Okays Fund for Joint Project

Only thing that will be redder than the stop-light slated for 182nd St. and Hawthorne Ave. is the tape which has surrounded the deal.

Redondo City Council finally gave its okay to a request by the state to fork over part of the cost of the installation, and they went for one-tenth of the cost.

The County will pay an equal share, an eighth, Torrance will pay one-fourth and the state will make up the rest. City hall spies pointed out that the Redondo city dads suddenly realized that because of a current squabble holding up the spending of state money on a rededicated Redondo Beach Blvd. project, it would be a smart idea to show more cooperation.

New Scout Camp To Be Dedicated

Formal dedication of Lake Arrowhead Boy Scout Camps, which provide 1235 acres of mountain camp grounds for Boy Scouts and Explorers of Los Angeles Area Boy Scout Council, covering this community, is scheduled for next Sunday, Aug. 24. All Council Scoutmasters, Explorer advisers, commissioners and other Scouters, with their families and friends, have been invited to attend "open house" at the camp that day.

Members of the Council executive board, including Justice W. Turney Fox of the State of California District Court of Appeals, Council president, will conduct ceremonies dedicating such facilities as the swimming pool, country store, and various campsites to the use of local youth. Tuesday the executive board met at the camp to accept gift of the new camp swimming pool from the Los Angeles Times, as well as other gifts which have made the establishment and development of Arrowhead Camps possible.

Important part of the ceremonies was the setting of a plaque at the swimming pool commemorating the gift. Other acceptances include that of the development of the camp water system, the original grant of 160 acres of Arrowhead property from the Los Angeles Turf Club in 1950, and the subsequent help of Dr. Charles Strub and the club in acquiring and developing the remaining acres, substantial gifts from Northrop Aviation, Inc., the Garret Corp., Los Angeles Area Building Fund, Los Angeles Area Building Funds, Inc., a memorial to Guy Gunderson, and many individual and organizational gifts.

Donors and representatives of the service clubs, Scout troops and other groups which have contributed money, materials, or services to Arrowhead Camps were guests of honor at the Tuesday function or have been invited to the dedication next Sunday.
